Appraisal Review Board Member Application

The ARB is the administrative review arm of the property tax system. It is a quasi-judicial entity with the responsibility to resolve disputes between the property owners and the appraisal district.

The ARB only has authority over protests submitted to it. It has no role in the day-to-day operations of the appraisal office or in appraising property. It cannot order the reappraisal of a category of property or otherwise instruct the appraisal staff about how to perform its job.

The Local Administrative Law Judge appoints members to the Appraisal Review Board (ARB) from citizens of the community.
